**The Kinder Garden School Hosts Kindergarten/First Grade Information Nights Every Thursday**

This summer, in the midst of an amazing summer camp line up, The Kinder Garden School will open its doors every Thursday night from 4p-6p for kindergarten and first grade information nights. These nights give parents information about The Kinder Garden School as well as the unique curricula offered by the school. The kindergarten program offered by KGS is a full-day program. The first grade curriculum (available in the West Chester Kinder Garden School location) bridges the gap between the surrounding school district grade cut-off. No appointments are required to visit.

The upcoming school year will also bring new technology to the classroom. The Kinder Garden School has recently purchased a SMART Board, interactive whiteboard, for the Kindergarten and First Grade classroom in West Chester. This technology will allow the teacher to deliver dynamic lessons, write notes in digital ink and save her work – all with the simple touch of a finger.

The Kinder Garden School has two teachers per class. This allows them to keep their classroom ratios at 15:2 versus public schools who must maintain ratios of 25:1. This intimate classroom structure allows for more individualized attention for students. A child's early learning experience is a time for them to embrace the idea that learning is fun and something they should enjoy doing as well as prepare them for future educational experiences. The continuity offered by adding a first grade to their West Chester curriculum may prove to be priceless in securing a child's self esteem and security in attending school as well as reinforcing a true community of learners which addresses each child's individual needs.

The Kinder Garden School strives to provide the very best education and enrichment to children ages 6 weeks through school age. Since their inception in July, 2004, the school has attained Step Up to Quality recognition. They have also received their Charter through the Ohio Department of Education for grades kindergarten through 2<sup>nd</sup> Grade. Its founders, Tami Lanham and Suzi Lenhart, were both teachers with over forty years of combined experience in Early Childhood Education. Lanham worked for Cincinnati Public Schools and Lenhart for Oak Hills and Three Rivers Local School Districts. The Kinder Garden School prides itself on enveloping a child's education, development and social skills into a fun and loving environment that feels like home. They strike an amazing balance between formative play sessions with a stellar curriculum that is second to none.

To learn more about The Kinder Garden School, please visit [www.kindergardenschool.com](http://www.kindergardenschool.com). To set up a tour, please call 513.791.4300 for the Blue Ash school or 513.874.3100 for the West Chester school.

**ENLIGHTENMENT IS OUR MISSION.**
