**The Kinder Garden Schools Celebrate Mother's Day**

Kinder Garden Schools will host a Mother's Day Tea on May 10, 2013. Mothers, fathers and special friends are invited to the schools to eat donuts, drink tea or coffee, and visit in the classrooms. Each of the classrooms will prepare a gift to show their mothers how much they love them.

Kinder Garden School has monthly events for family members to come and spend time with the children. Tami Lanham and Suzi Lenhart, the mother-daughter team of founders, believe that the education of young children requires equal parts of school and family. Both environments should be supportive and fun for the child so each child associates learning with positivity and love. "This is the foundation upon which all future learning is built." Lenhart explains, "Our commitment to the children is also a commitment to their families. We must work with each family to provide support for their family system so they may, in turn, support their child's learning." Every day is a family affair at Kinder Garden School.

In addition to its rich curriculum, these beautiful facilities also offer web-cams in every classroom which grant 24-7 access through their password-protected website. Kinder Garden School offers below state ratios and teaches children ages 6 weeks through school age. If you would like more information about programs and curricula, visit [www.kindergardenschool.com](http://www.kindergardenschool.com) or call 513-791-4300 to set up a tour in Blue Ash or 513-874-3100 to set up a tour in West Chester.

Kinder Garden School is devoted to growing a child's wish to flourish and learn by cultivating curiosity and problem-solving proficiency in a fully supportive, fertile, fun setting.

**ENLIGHTENMENT IS OUR MISSION.**
