The Kinder Garden School to Participate in Big Pig Gig with Pig-tunia

The Kinder Garden School will participate in The Big Pig Gig by sponsoring a fiberglass pig. They created their own design, painted and have named the pig Pig-tunia to coincide with the Garden theme and mission of the organization. The pig project is produced by Artworks Cincinnati. Pig-tunia will be displayed during the Flying Pig Marathon on May 6, 2012 and during the World Choir Games, July 4-14, 2012 in downtown Cincinnati.

The Kinder Garden School prides itself on being a family organization. Similar to how things work in a family system, the founders of The Kinder Garden School believe that they gain strength from their surrounding communities so supporting their communities in return is equally as important. The Kinder Garden School participates in several community events annually including the Shamrock Shuffle, The KiteFest and various community parades.

The Kinder Garden School is a family organization with locations in Blue Ash and West Chester. In addition to its rich curriculum, The Kinder Garden School also offers web-cams in every classroom which grant 24-7 access through their password-protected website. The Kinder Garden School offers below state ratios and teaches children ages 6 weeks through school age. If you would like more information about programs and curricula, visit www.kindergardenschool.com or call 513-791-4300 to set up a tour.

The Kinder Garden School is devoted to growing a child's wish to flourish and learn by cultivating curiosity and problem-solving proficiency in a fully supportive, fertile, fun setting. **ENLIGHTENMENT IS OUR MISSION.**
