The Kinder Garden School Announces Free Enrollment Until 2013

The Kinder Garden School is proud to announce the introduction of a new promotional offer that will run through the remainder of 2012. The Kinder Garden School will waive the enrollment fee of any new families that enroll between October 1, 2012 and December 31, 2012. In addition to this promotional offer, The Kinder Garden School will simultaneously roll out a new referral program. Any current family of The Kinder Garden School who encourages another family to enroll, will receive a tuition credit.

The Kinder Garden School prides itself on being a family organization. Similar to how things work in a family system, the founders of The Kinder Garden School believe that they gain strength from their surrounding communities so supporting their communities in return is equally as important. The Kinder Garden School has been successful with the help of their families and friends who believe in their mission and tell those around them about the program.

The Kinder Garden School is a family organization with locations in Blue Ash and West Chester. In addition to its rich curriculum, The Kinder Garden School also offers web-cams in every classroom which grant 24-7 access through their password-protected website. The Kinder Garden School offers below state ratios and teaches children ages 6 weeks through school age. If you would like more information about programs and curricula, visit www.kindergardenschool.com or call 513-791-4300 to set up a tour.

The Kinder Garden School is devoted to growing a child's wish to flourish and learn by cultivating curiosity and problem-solving proficiency in a fully supportive, fertile, fun setting. **ENLIGHTENMENT IS OUR MISSION.**
