**The Kinder Garden School Releases Summer Camp Schedule**

On February 14, 2012, The Kinder Garden School revealed its Summer of Fun Camp, 2012 plans. The schools have planned two field trips per month plus weekly visits to local playgrounds and a weekly culinary experience for children to take home to their families. In addition to the field trips, the schools have themed weeks including Dinosaurs, Space Camp, KGS Summer Olympics and their famous Medieval Week, a week-long celebration of the medieval time period complete with the crowning of a king, queen and jester over a turkey leg feast at its culmination. The Kinder Garden School Summer of Fun Camp is unique because not only is it fun for the children but the teachers also enrich the programming with curriculum to prevent "Summer Slide". Visit their website at [www.kindergardenschool.com](http://www.kindergardenschool.com) for more information about the summer program.

The Kinder Garden School strives to provide the very best education and enrichment to children ages 6 weeks through school age. Since their inception in July, 2004, the school has attained Step Up to Quality recognition. They have also received their Charter through the Ohio Department of Education for grades kindergarten through 2<sup>nd</sup> Grade. Its founders, Tami Lanham and Suzi Lenhart, were both teachers with over forty years of combined experience in Early Childhood Education. Lanham worked for Cincinnati Public Schools and Lenhart for Oak Hills and Three Rivers Local School Districts. The Kinder Garden School prides itself on enveloping a child's education, development and social skills into a fun and loving environment that feels like home.
